4. [REDACTED] Pursuant to instructions from the Director,  
I called Carl Marcy, Staff Director, Senate Foreign Relations Committee,  
and suggested 23 and 24 March as possible dates for the Director's briefing  
of the Committee but I pointed out that the Director's schedule is very  
unpredictable and I would not want either of these dates to be firmed up  
completely without Marcy's first checking with us. He said he understood  
and would be back in touch with us.

5. [REDACTED] Accompanied Carl Duckett and Dave Brandwein  
to a briefing of Senator Carl Curtis, new ranking minority member of the  
Senate Aeronautical and Space Sciences Committee, on the Soviet and  
Chinese space programs. Messrs. Gehrig, Parker and Voorhees of the  
Committee staff, were also present. Senator Curtis expressed his appreciation  
for this full briefing and said he would probably follow up on Duckett's offer  
to keep him up-to-date from time to time in the future.
